VALUES

Safety isn't just a word at AL TAAMEER GROUP. It's a way of life. From day one, every employee is educated strict policies on safety and all field personnel receive routine training on all industry regulations. Our Company and our employees have even been recognized locally and nationally for their safe practices.

ABOUT US

AL TAAMEER GROUP Since 1997, is the leading specialist Contracting Group operating in UAE markets for over 15 years as Main Contractor for Building and Civil Works under the Laws of the Government of U.A.E. The Company has grown to be one of the First Class Building Contracting in Ras - Al-Khaimah and has gained a proven reputation for quality workmanship on a wide variety of projects which have been completed on programmed and within budget, and has achieved GRADE 1 status for Building Contractors, the highest grade classified by the Government of UAE.

In 2003 we formed a group of companies and with this added our strength and support of a major construction services provider we can now undertake the most demanding of projects. We have developed a broad client-base, both In the Public and Private Sectors, and have carried out Contracts as a main subcontractor on large industrial projects. Al Taameer Wood and Décore was started in 2003.
